“ *Rick was a great athlete who did well in football and track. I was lucky to be able to coach Rick in both sports. He worked hard and was a pleasure to know. He set the standard for the many great throwers that Plattsmouth produced. He was always a friend and will miss him. Coach Bob Priebe*

“ I remember Rick from high school. He was a discus and shot putter as I was and I remember helping him with his technique for them both. He did well in high school as he set records Rick was a wonderful guy and I am sure saddened by his passing. I had not seen Rick for a number of years and just know in my heart that he never changed. May God Bless the family to assist in his memory and stay solid for the future and all his grandkids. May Rick R.I.P.
