“ *Bob taught me so much. He was a great Friend of myself and my father. Dean Clark*

“ *I am saddened to learn of Bob's passing. He was a great guy. I don't think he ever failed to open the store after hours to help out me and my friends out when we needed parts to finish repairs on our cars. After all, it was so important that we could get back on the road to cruise the streets of Plattsmouth. Bob made it happen. He was very generous which I am sure many times was not a good business decision in extending credit. He had a great manner about him and the image of him looking over his glasses at the parts binder with the ubiquitous cigar is how I will always remember him. My heartfelt condolences to the family. “ Gregg and I were so very sorry to see the notice of Bob's passing. Such a truly wonderful, kind man. So many memories of coming into Mullenax and there he always was, cigar in his mouth, working behind the counter. There is really no way you can every really say thank you to someone who always treated you so kindly. Bob and Carol extended credit to two poor young kids who always had a broke down car, there were times we could only pay \$10 a month on our bill, but they never turned us away. Not really sure we ever let Bob know what that meant to us! We are so very sorry for your loss and pray for his eternal rest, May the memories of all your happy family time together make you smile in the days ahead!! With love and prayers, Gregg and Marcia Thumann and family.

“ I have fought the good fight, I have finished the race, I have kept the faith. 8 Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day—and not only to me, but also to all who have longed for his appearing;

Bob will be standing on the other side waiting for us when our time comes to go to our reward. May we all find comfort in the memories of Bob being a steadfast husband, father, grandfather and member of this community. His smile and his can do attitude will be miss by all who had the privilege to meet him and to be his friend. We are all better people, because we have had a good fortune to have known Bob, his quick wit and smile was always present at the NAPA store.

Thank you to Bob's family for sharing him with us.

Love, Hugs and Comfort
