“ *Bobby is my cousin. Sadly, I didn't know him and haven't seen him since he was a little boy. My Aunt Terri is his mother and I have followed her posts many times and so I've been given some sneak peeks. I am so very sorry for the loss of Bobby and my prayers go out to his wife and family. To my Aunt Terri, I pray for your comfort as I cannot fathom any greater loss than that of my own child. You are all in my thoughts and my prayers.*

“ *Where do I begin....you left us to soon young man. Knowing you growing up from a cute little boy into a young man has been an honor for me. Playing outside late at nite with brandon only coming in to get food or drinks. Our family will miss you dearly but we cannot be selfish. You were suffering and god saw this. It was your time to suffer no more. I will see you again my son. Till then you taker easy! Love you momma chelle*

“ *I will forever remember Bobby as the little boy who moved in across the street from my parents, who was always out and about, always on his bike riding it up and down Wintersteen, always busy. He was sweet and friendly, always eager to help, anywhere from holding a door when your hands were full or to help carry in groceries. He was quick to smile and you just knew that he had a heart of gold. I ran into Bobby many years later and he was just as charismatic then as he was as that little boy. My heart goes out to his family and friends, Bobby was one in a million, he will be missed.*

“ I have many fond memories of fishing on the river with the Kennedy family and Bobby most of all. Bobby always knew he could count on me to go fishing. We caught many large catfish including our personal best. He was a hard worker and took countless hours to enjoy the outdoors with his wife and children. Praying for the family
