“ *I can never put into words how much I miss you...this is not right, a child should not go first...my heart is broken and will never be whole again....I miss you Sherri....I love you.*

“ *Sherri and I became fast friends while working together at KFC in Plattsmouth. We used to cruise Main, windows down, music up loud. We lost touch after she moved to Texas, but I will always remember her big, toothy grin, her laugh, her sunny disposition, her kindness. I'm so sorry, I have just learned of her passing. I definitely would have come to pay my respects had I known. To her family, I am so very sorry. Such a good person gone from this earth. Take peace in knowing you will see her again some day, but I know that doesn't lessen the pain at this moment.*

Until we meet again, my friend...so long.
