“ *I will always remember Stanley and his cup of coffee! Riding in the hallways with a full cup of coffee...Coffee Bean was my perfect name for him! Not to mention the water balloon fight we have never had a chance to complete! I have missed his smiling face and the wonderful visits with "the girls!" The paintings that he would spend hours completing always turned out so beautiful! Its not often that a person gets to met a man like Stanley, and I was blessed to of had the chance, if only for a brief moment at Woodbridge! Another member of our family has now gone home, but his memory will always be in our hearts!! You are, and will be, greatly missed, my friend, and as always, my coffee bean!! Jolene!*
