“ *I met Steve on my 18th birthday. Him and his girlfriend were our upstairs neighbors. His girlfriend Tina knocked on our door for assistance with the breaker box which was out of reach for her. So I assisted. Well, it just so happened it was my 18th birthday and I didn't have any plans except to spend time with my gf. Steve was grateful I helped out Tina, and threw me a birthday party. We became very close friends, staying in touch after we moved. Steve was a great man with a big heart. He used to help us out with dogfood and brought us home diapers for my daughter when he worked for the Omaha food bank. I'm gonna miss you Steve. We had alot of good times and I'll always remember them. Rest in peace brother!*
