“ Condolences to the family of Steve. He will always be remembered for his fishing. We had 3 or 4 trips together with Keith and Eddie. They will always be in my mind. And somehow I gave him a nickname of Cooter and it just stuck. Cooter was my boat driver for all our Cove Parties. He was a most giving person. He was always thinking about what I could use or need at our home and if he had it, it would randomly show up. Cooter you were a great person, friend and will be missed.
