“ *I met you guys at a dealer conference in Florida a few years ago. Since then I helped Tom out on a couple of his projects and he did the same for me, even let me hire Rick to help on a job in Omaha that was rushed. Tom even threw some business my way when he was too busy.*

I'm very sorry for your loss. I'll miss working with him.

With prayers,

Acey

“ *05/22/14. I'm recently back to being a Fire Marshal in Omaha after being on a Fire Engine for the last 3 years. I was shocked to find out the passing of Tom. I had worked with Tom on numerous Fire Alarm projects and found him to be a very likable & honest gentleman. He will be missed. Captain Michael Green OFD.*
