Thank you for putting this online for those of us who weren't there. Tina is my cousin, my dad's sister's daughter. We lived together in the same house when we were young. I was 6 and she was 1 and I can still hear her giggly laugh as we chased each other around the coffee table in our grandmother's house. She was barely walking, holding on to the coffee table. Treasured memory, and there are so many more growing up together as cousins spending time together on sleepovers at each other's houses along with her sister, Toria. Her laugh, her smile, her sweet nature are what I remember most. Sherry Ware

“ My dear sweet Tina,, you are missed by so many because you’ve touched so many hearts in your short life’s journey. So many people love you and always will. I am one of those, I was there when you were born I, I was there when you are an infant, a toddler, a teenager, and a young lady who turned out to be the most amazing person God ever put on the face of this earth. I am blessed to have had you in my life. Your words will always be in my heart as the last thing you said to me was, “I love you, May-May!” Please when you see her, give a giant hug and a kiss to my beautiful godchild, your sister, Michelle Anne Simon. Until we meet again my precious girl, I love you so much.

“ Tina, you held a special place in the hearts of so many. All of the Bunco Babes remember all the laughs and fun we had together. You were such an amazing cook and found such joy in cooking for others. When you worked at the school, you loved each child you worked with. I can picture you now, reunited with Grace and giving her your love. Rest in peace, my friend.

“ Tina, we will miss you! You were my friend, confidant and 2nd mom to my daughters Monique and Gabbie. We laughed and cried together, most of all you were always there for me. My heart is broken, but I will see you again my sweet friend.
You made impact's to a lot of children in Brentwood and they are now young adults, they sure do love you. Gabbie still chews on her tongue just like you when she is in deep thought.
I love you my dear friend. RIP

Tina because you and I both liked lobster so much our plan was to go to Bar Habor Maine and eat our fill of lobster. I even had you listed as Tina Lobster in my contacts.
Tina was fun, kind and always very appreciative of everything you did for her. It was a privilege to have known you.

“ Tina-Back in the early 2000's, you brought together a group of women to share Bunco with. Those women, The Bunco Babes, have supported one another through all sorts of highs and lows by your example. Your love, kindness, generosity, wit, humor, hospitality and next-level party planning were at the core, the foundation, the roots that brought many women together to support each other thru laughter & tears. Thank you for the grace you showed to family, friends and especially children. I am so grateful to have known you.

“ I met Tina in 2007 at the elementary in Murray. She was a one on one para for two children needing her love and kindness.

She was always helpful and her love for those children shined every time I saw her with them.

I wasn't close to Tina, however, she taught me to love special needs children. She never realized I admire her so much. Thank you for teaching me the foundation to care for all children.
