“ My first memory of Verona, was around 1959 when your family and ours met in Yellowstone. Your Mom walked up close to a Grizzly Bear, and offered to set on its back if someone took a picture. If I could place my hands on that photo, it would be posted now. No...she just stood about 15 feet from the bear. Your Folks and mine, were always great friends. I truly believe that they are in Heaven, playing Pinochle and baking into the wee hours of the morning. Hold your memories close to your heart, Love, Jerilynn

“ One of a kind lady. She stood above most people. Loved her sense of humor, dedication to her family, her faith, her friends and her great attitude to life! She shared her sugar free lemonade with me at those hot summer baseball games! It may not seem like a lot, but it was a small example of her generosity. She is missed.

“ So sorry to hear about Verona. I have known her ever since I was a little girl, and my parents took us to visit her and Marvin at the farm.....and many times we would go squirrel hunting with my dad in "Peterteit's Timber"....then, in later years, I was her neighbor for a few short years! Lovely person inside and out. I just saw her a few weeks ago, when I went to visit my cousin Michael, and she was now his neighbor!!!! I'm so glad I got to visit with her one more time.....many many fond memories of herprayers and sympathies to all of the family ...

“ Prayers and Blessings from Colorado. My dad was a first cousin to Verona's Father (Jack) so I have known and admired her all my life! My sincere condolences to your family on your loss of a wonderful lady. She was one of the holy women in our church and the community who set an example of how to live and how to serve others. I have a picture from Sept 2007 that I would like to share via e-mail. It is how I remember her, with her grand-daughter (Queen of the KKKKK) and my Mom, Frances Krejci. May she rest in Peace and in the love of Christ.
