“ *Uncle Duece I will always love you. You never judged me which always was nice. You believed in me when no did. You always made me feel apart of the family. You always told me how much you cared and loved me. It's so hard to see you had to leave and go be with Grandma and your sisters. But we all will miss you. I have so many good memories and I will always hang on to them. I know it was years since I saw you and I'm sorry for that. But I do remember the last time.*
